

Steamship Shieldhall - 2021 Sailing Programme

COVID 19 UPDATE

Whilst Steamship Shieldhall has had to cancel her 2020 sailing programme due to the COVID-19 pandemic, we are pleased to be in a position to release dates for 2021 sailings. In keeping Shieldhall COVID compliant – and working towards the industry ‘Good to Go’ marque during our closed season – we will initially be offering a limited number of tickets for each of our 2021 sailings. There is an expectation that we will be able to resume selling to Shieldhall’s capacity (currently 220 persons) at some point in the future, though this will be based on Government advice. Once the reduced capacity levels are reached, enquirers will be directed to a waiting list, and contacted when and if circumstances change. If a cruise does not go ahead, all ticket holders will be offered a full refund or the opportunity to transfer their tickets to another sailing.

Note: This programme, issued Wednesday 14th October 2020 is subject to approval by the MCA and by Associated British Ports.
